- 1. That only one (1) privately owned vehicle is being transported overseas under permanent change of station orders for the owner and/or his family as personal property, and that it is free of any legal encumbrance that would preclude its shipment and is not intended for resale. Owner must also retain a second (extra) set of keys.

THIS CERTIFICATE constitutes authority for the placing in available storage chosen by the port, at the complete expense of the owner and at no cost whatsoever to the Government, the vehicle herein property of above named owner (1) by the port of embarkation in the event that shipment of privately-owned vehicles therefrom is suspended or terminated because of a national emergency, and (2) by the port of debarkation in the event that the automobile is not picked up by the owner or his agent within forty-five (45) days after dispatch of the notification of its arrival.
